To Whom It May Concern:

Re: Supplier(s) – Province of British Columbia Essential Services

This letter confirms that Her Majesty the Queen in right of the Province of British Columbia, as represented by the Minister of Citizens' Services ("CITZ") has engaged CBRE Limited (CBRE), pursuant to a Real Property Master Services Agreement dated July 5, 2019 (the "MSA"), to perform certain property management, project management and construction services.

We confirm that each of CBRE, its subsidiary Alliance Facility Solutions Inc. (AFSI), and Supplier(s) under direct contract with CBRE or AFSI while acting on behalf of CITZ is an essential service as identified by Emergency Management BC in consultation with other government ministries and the Provincial Health Officer (PHO), as posted to:

For clarity, a "Supplier" is defined as having been engaged by CBRE to perform a part or parts of the Services, or to supply goods or services to, for, or on behalf of CBRE, which goods or services are specific to the Services or any other matters covered under such direct contract.

Essential services are those daily services essential to preserving life, health, public safety, and basic societal functioning.
